Dear Family and Friends in Christ,

I'm sure we're all desperate for a real move of God, an unprecedented outpouring of His Holy Spirit in Australia! We thank our Father in Heaven for His mighty outpouring in Lakeland, Florida, and around the world, but our heart's cry is 'Lord, please pour out your Spirit all over Australia, **our** dry and thirsty nation, this Great Southern Land!

I'm sure you're aware by now that Catch The Fire Ministries is hosting Spirit-filled nights of 'waiting upon the Lord' in corporate praise, worship, and prayer, with our hungry, thirsty, and desperate heart's full of supernatural expectation to experience a mighty Holy Spirit Revival in our nation! I would like to share with you the journey that has brought us to this place of earnest expectation.

In 1999, I visited Ethiopia for a series of meetings where thousands of spiritually desperate people gathered to receive the mighty power of God through miraculous healings, deliverances, and salvations from the Lord. At the crusade one night, one of the leading intercessory prayer warriors for the Pastor whom I was working with suddenly started prophesying over me in Amharic which was then interpreted by the Pastor into English.

The prophetic word of the Lord was, 'Man of God, man of God, you are with a sword digging a very barren and dry land. Do not give up for you will hit the spring of living water. You shall dig up the ancient wells.'

Up until this point of my life, I had been often travelling to many countries and ministering in crusades (special Holy Spirit meetings) with tens of thousands of people in attendance, including many salvations, miracles, signs and wonders. Since I had left Saudi Arabia just 2 years prior and was still working in a very close relationship with the church there, I immediately thought this word from the Lord was regarding Saudi Arabia.

Interestingly, the next year (year 2000) I went back to Ethiopia where the Lord gave me a real burden (His Burning Heart) for the nation and people of Australia. Here, the Lord warned me through a prophetic dream that the Victorian Vilification Laws would soon come into effect and He strongly challenged me to take care of my own backyard (my nation of Australia) before travelling around the world to win the nations for Christ. On this 2nd trip to Ethiopia, I received from the Lord His vision for Rise Up Australia Prayer Meetings, which now in 2008, we have around 50 inter-denominational prayer locations (cities, towns, etc.) meeting each month across Australia and in other nations around the world all under the banner of Rise Up and Catch The Fire!

From the year 2000 onward, we have been praying for a mighty Holy Spirit Revival. Since the beginning of 2008, I have begun to feel a real urgency in my spirit to open up a place for the River of God's Awesome Presence to flow - through which all kinds of people could be supernaturally healed, delivered, set-free from all forms of demonic oppression, saved, renewed, refreshed, restored, revived and set on FIRE for His Kingdom Come on Earth as it is in Heaven!

We at Catch The Fire Ministries and Rise Up Australia Prayer Movement have been in intense spiritual preparation for 7 years, but now in our 8th year (8 = new beginnings), we finally feel that now is the kairos time for God to pour out His Spirit of Revival Glory all over Australia! In the last few days, I've been receiving in my spirit the same one word over and over from the Lord. This word is 'SUDDENLY' and additionally I keep hearing the words while in prayer, 'Do not miss the hour of My Visitation!'

Over the last few months of ministering around Australia, I've been experiencing a significant increase of the anointing, power and presence of the Holy Spirit in my meetings, resulting in many salvations, healings, and deliverances, as demons are increasingly fleeing in the Mighty Name of Jesus!

On Saturday 31st May while I was flying to NSW, I was reading the Word of God in the plane, praying over Australia, and asking the Lord to give me confirmation regarding these nights of Holy Spirit Revival Fire and Glory Meetings. He gave me these 2 confirming scriptures from His Word and the following interpretation:
Joel 2:16 and **Exodus 19:10, 11**

I then heard the Lord say, 'All those who are desperate to see My Glory will come. They will leave everything they are doing and run into My Presence.'

I now realize that the prophetic Word of the Lord that I received 8 years ago while ministering in Ethiopia is for our nation of Australia, and this Great South Land of the Holy Spirit!

I believe that we, the Bride of Christ, are entering an extraordinary season of corporately waiting upon our Bridegroom King in Heavenly Throne Room Worship, as His Holy Spirit Revival Fire and the Rain of His Manifested Glory is released upon His Church, His Body, His Children who are desperately hungry for Him. Come ready to flow with Him, receive your miracle, and swim in the Eternal River of His Spirit!

Love you all heaps, Pastor Danny

still in progress -**

We have 'no adequate words' to thank the Lord for this mighty outpouring of the Holy Spirit which is clearly a supernatural move of God! People attending have commented that they have never been in a place where there have been so many miraculous healings and deliverances taking place. Others (*particularly youth*) are absolutely amazed as they are really seeing the power of God manifest as described in the book of Acts - right here in Melbourne, Australia! At the time of print we are commencing our 22nd night where up to 400 gather nightly to receive from the Lord; the blind see, the deaf hear, the cripple walk, the demonic are released, depression is broken, souls are saved, as people are set free by the power of God. Intimate and extreme worship has been one of the highlights of as continual soaking in His presence night after night takes place, preparing the Bride to meet with her Bridegroom!
