Update on our New Premises

There is good progress being made on the permit required by the Dandenong Council for occupancy for our Dandenong South premises. Please keep praying as we expect to be in the building by the end of this current year and know your prayer will help push all obstacles aside. The team are thanking the Lord for His provision and have prayed with thankful hearts. As a result through God's grace we have received more than 2/3 of the monies required for the down payment of 30% of \$650,000. We believe that when we are ready to settle financially, ALL required monies will have come in. We look forward to being able to share this miraculous testimony with you and send a huge "thank you" to all who have contributed financially and a special "thank you" to those who continue to give.

Rise Up Australia

9th Anniversary Prayer Meeting was held at Fountain Gate Christian Centre, Hallam on Friday August 7th, 2009

Christians United from 38 Churches -

The RUA 9th Anniversary Celebration was a great evening of united prayer, corporate worship and prophetic intercession for the transformation of our nation of Australia. Christians from 38 churches, including many different denominations and ethnic groups, united together as an integral part of the body of Christ in Melbourne. The unity demonstrated was absolutely amazing and as they passionately worshipped the King of kings and Lord of lords, the heavens opened up as the mighty presence of God fell in the place!

Pastor Daniel (and his wife) then shared their personal life testimonies of how God saved them from possible death & torture in Saudi Arabia and Sri Lanka. Many in the crowd were in tears as they heard the vision God had given Pastor Daniel for Australia.

At one point God's manifested presence was so strong that many started shouting for joy and broke into deep travail in the Holy Spirit! As he spoke on the past, present, and prophetic destiny of Rise Up Australia, many in the crowd shouted out 'Hallelujah' and 'Amen' in agreement that we, the church in Australia, must and will possess the land in the name of Jesus! This was an exciting celebration!

A free DVD is available from the office.

The Australia Day United Prayer gathering in 2009 was once again a resounding success with over 1,500 Christians from many denominations, churches, & ethnicities all joining hearts and hands to worship the King of kings and the Lord of lords.

It was good to see the expressions of passionate hearts declaring the word of the Lord and praying with such sincerity and joy.

Pastor Daniel said, "I thank God for Australia Day, as we Aussie Christians come together at least once a year to demonstrate that we are One Body in Christ and that we belong to KOG (the Kingdom Of God) - when better than Australia Day? I personally invite you to join us in 2010..."

Invitation To Journey To Canberra

On Saturday 17th October 2009 we are calling on Christians from all over the nation to gather at the top of Mount Ainslie in Canberra from 2pm to 5pm where we will have a special afternoon of United Spiritual Warfare Prayer, Repentance, and Prophetic Worship.

I wish to challenge you to get to Canberra, our nation's capital and hold up the hands of the body of Christ, Pastors and Christian leaders living there. If the Muslims can go all the way to Mecca, are we willing to sacrifice a bit to save our nation? Alternatively, if you cannot get to Canberra, please rally a group of Christians together and go up to any high place the Lord leads you to and spend the afternoon of the 17th Oct 2009. Please make sure that you do not do this alone.

Meetings in Colac, Bega, Hobart, Dalby, Mildura, Toowoomba: Recent Ministry Trips Undertaken By Pastor Daniel

Several incredibly powerful testimonies of the Lord's miraculous healing and supernatural restoration have come as a result of a continued mighty outpouring of the Holy Spirit as Pastor Daniel and team ministered in **Colac Victoria**.

In **Tasmania - Hobart, Sorrel & Copping**, People from all walks of life were absolutely set on FIRE for God as His Kingdom come and His will be done on earth as it is in Heaven! Many young people came to Ps Daniel and said, "Please can you pass on the boldness and passion you have for Jesus!" He was in tears as he laid hands on them and imparted into their lives crying out, "Lord, give them a double portion of your anointing!"

In **Bega, New South Wales** churches combined together with many travelling from **Merrimbula, Pambula, & Moruya** to hear the Word of the Lord released followed by displays of God's goodness!

In **Dalby & Toowoomba Queensland** many thirsty worshippers lingered at the altar every meeting to receive from the river of God that never runs dry! The presence of

Recent Sri Lanka Trip - Report

Two members from the CTFM team visited Sri Lanka to help those who were affected by the recent civil war recently in order to help people who were in need of urgent supplies such as clothing, food, dry rations, etc.

This is what they had to say, "We were happy to visit many orphanages where children of all communities are being fed, clothed, and accommodated. It was a very sad sight to see large numbers of innocent children who have lost their parents both through the tsunami and the communal wars. I must say the happy looks on these children's faces as we arrived and especially when we handed out the food, clothing, toys and books, etc. were a pleasing sight. Although, not having their parents around was still very visible on their faces.

The situation is quite grave in the country, the war not quite over yet and fear still remains a major factor in their lives. We visited many parts of the country such as Baddula, Moneragella, Denniya, Dambulla, Batticaloa, Trincomalee, Muttur, Kantalai, Habbarana, and many parts and towns in Colombo.

The need for more aid is exceptionally great as many of the buildings and the facilities available are quite shocking with many being damaged during the war. Education facilities are very poor and

inadequate and food, water, clothing, and educational materials are all in a huge shortage. Hygiene is poor and there is a lack of medical assistance, and basic personal needs are not available to these poor suffering children of all ages from 1 to 15 years old. Photo: Receiving much needed goods at one of the orphanages

The children at the 3 orphanages, (with around 100 children) and the feeding program (for 450 children) run by Catch The Fire Ministries was really a blessing as these children were well looked after by the Pastors who are running these centers. Please pray for Sri Lanka."

Pastor Daniel stated, "I wish to personally thank all my dear family in Christ for helping our Rescue Sri Lanka project. Thank you so much. You have certainly put a smile on their faces and given hope to these children."

You will notice that we have been referring to Pastor Danny as Pastor Daniel. Many prophetic words have been coming of recent times to confirm this change back to his birth name.

God was so evident that many just could not stand! Pastor Daniel was also the guest speaker for the Rotary Club dinner at the RSL where he was able to use his court case as an example and challenge the Rotarians to stand up and defend our Judeo-Christian heritage in Australia, which was well received by everyone present.

In **Mildura, Victoria** 70% of those who came to the meetings had not been to the venue before (but came because of the fantastic newspaper write up prior to Pastor Daniel's arrival) which meant many salvations as well as mighty healings. The Kingdom of God is being constantly extended.
