August 2010

Dear friend of the babies,

The March for the Babies is held each year on or about October 10 to commemorate the removal by the Parliament of Victoria of all legal protection for children before birth in this State on that date in 2008.

This year October 9 (Saturday) has been declared "Pink and Blue Ribbon Day", and we march to remember the thousands of baby girls and boys killed by abortion, reach out to their often pained mothers in a spirit of healing and support, and publicly bear testimony to our own commitment to overturn this most evil of laws.

Last year, thousands of people from throughout Victoria participated in the inaugural peaceful March for the Babies to Parliament House to express their concern at the current legal situation and express hope that the lives of our most innocent would again be respected.

If you joined us last year, we'd love to see you back. For those who missed out, please come along - maybe for a family picnic in the Treasury Gardens before the March and afterwards for a sausage sizzle!

It's most important all men and women of goodwill gather as one on this occasion to stand up for defenceless human life. We must show the Government, media and general community that WE DO CARE. The greater the number of marchers, the greater the impact, and the most effective way of getting people there is by bus. If, for example, every church in Victoria was to send a busload of people along, what a spectacular witness to life that would be! That sort of organisation doesn't happen on its own...

Unborn babies can't march. They can't protest. They can't plead for their lives. We MUST do it for them - if we don't, nobody will and they will continue to die.

Please join us on the afternoon of October 9 (Saturday) this year - **bring your friends and family** - as we again MARCH FOR THE BABIES.

Warmest wishes,

BERNIE FINN MP  
Chairman,  
March for the Babies Inc.

*FOR LIFE, HOPE AND FREEDOM – WE SHALL OVERCOME!*
