**Highlights from the trip to Israel, Sri Lanka and Malaysia**

**On Transit**

*Testimony One*

On the 27th May, around 50 of us from Catch The Fire Ministries boarded from Melbourne. As the plane began moving down the runway, we were all very surprised when the pilot said, "Welcome to all at Catch The Fire Ministries. May you all have a great and safe pilgrimage to the Holy Land."

I had told the cabin crew that we were going to pray and suddenly there appeared on all the television screens behind every single seat throughout the whole aircraft the words, "Catch The Fire Ministries please pray for Australia."

*Testimony Two*

When we boarded the Jordanian airlines flight I made friends with the chief steward whose name was OSAMA. While we were right over the Middle East the Lord spoke to me and said, "Get up and pray," so I went to Osama and asked him whether we could pray over the Middle East. I was surprised as he said, "You are most welcome."

All 60 of us (more joined our team in Sri Lanka) got up in the airplane and started singing 'HE IS LORD', then stretched our hands over the Middle East and prayed in tongues and then in English with the aircraft full with passengers. Everyone was surprised. All glory to God as the presence of the Lord fell in the aircraft and many passengers wanted to know about Jesus. A number of them gave their lives to Jesus.

**Sri Lanka**

Then we were on transit in Sri Lanka for one day and while at dinner at the hotel, we suddenly heard the music band playing Christian songs and found out that the band leader was born again.

So after dinner we ended up on our knees worshipping the Lord right in the middle of the restaurant of the hotel. The presence of the Lord fell in the place as almost all the waiters and some of the management gave their lives to Jesus. Many of them wanted us to pray for

them. We spent 3 weeks in Sri Lanka & Malaysia

on our return from Israel. In Sri Lanka we caught up with our family and friends. I also had the great opportunity of visiting the 3 Children's homes (where we provide food, clothing & education to around 80 children) and the feeding program (where we provide lunch to 150 children every day). I was so happy to meet with them, and they were also very excited to see me. They all looked so great, happy and well cared for.

If not for your help, we would not be able to finance them. Catch The Fire

Ministries releases 100% of all finances which come in for 'Rescue

Sri Lanka' to Sri Lanka.

Some very exciting news, as a result of the feeding projects in 4 towns, now the Pastor I am working with has started 3 new churches and has seen 45 families born again. Thank you so much for financing these projects, as you have played a key role in winning these families to Jesus. Your continued support will be greatly appreciated.

**Israel**

Glory to God as our mission to Israel was a great success. All I can say is that we have just fulfilled what the Spirit of God revealed for us to do through two of His servants some three years ago.

The highlight of this life transforming trip was the main purpose for our going to Israel, which was a very specific prophetic intercessory prayer assignment from the Lord. Our tour guide had secured a private garden overlooking the Golden Gate or better known the Eastern Gate.

Here we were very free in the Spirit of the Lord to do whatever we wanted to do without any religious restrictions. We

had a glorious service facing the Golden Gate from where Jesus is expected to soon return, riding a white horse as the Victorious Warrior King, to rule and reign over the nations from Jerusalem, Israel!

Through a glorious service of prayer, praise, worship, and scripture declaration, we prophetically welcomed the soon return of King Jesus through the Golden Gate. We also had a very large golden key from Jerusalem that we were given by sister Jill at CTFM back in Melbourne, Australia before we left for Israel. We used this key to prophetically unlock the gates in the Spirit and then we buried the key and a special rock that we received from Jerusalem through another sister from Sydney, Australia. Many were weeping, others were praising, some were laughing and shouting for joy as the presence of the Lord just absolutely shook the place!

Travelling in my bus was a lady named Diana from Wagga Wagga in NSW, Australia, and a Doctor (Murray) from Western Australia.

Suddenly I heard some shouting in the bus. At first I did not take much notice, but then my wife shouted out, "Danny, Danny, come here." So I came running and noticed that everyone was now gathered around Diana as the Doctor (who happened to be sitting right behind her) was trying to get her pulse and to check her heartbeat.

The Doctor tried hard to resuscitate her for the next 2 minutes, but nothing was working, as she was dead. He then looked at me and said, "Stop the bus!" Somehow I was quite relaxed and I think possibly he thought that I did not realise how serious the situation was.

I had the prompting of the Holy Spirit to put my hand on her chest and call back life, I said "In the name of Jesus life return! Satan you have no right to take this life on this tour. Diana, come back in Jesus name!" Glory to God, everyone was watching, including the Sri Lankan & Arab Christian tour guides. Immediately Diana opened her eyes, and she gave me a great big smile. The whole bus erupted with shouts of joy as the Spirit of God raised her from the dead!

Glory to God, the Doctor was right next to her for the rest of the journey to Sri Lanka. Diana returned home safely back home to Wagga, Wagga, NSW, Australia.

She had an ECG done and it was all clear. Glory to God!

## Malaysia

I preached in KL Malaysia at 2 churches. There were more than 1000 people at the Saturday night service and the Pastor gave me freedom to minister as the Holy Spirit led, and more than 950 people responded to the altar call to take a stand for the King of kings and Lord of lords and be bold witnesses to reach the Malaysian people for Jesus.

Around 30 people gave their lives to Jesus for the very first time, and around 25 people were filled with the Holy Spirit and prayed in tongues for the very first time, plus many others were healed.

The pastor said to me, "Pastor Daniel I have never had such an altar call in my church where the whole congregation responded". I am amazed to see how God is moving in a Muslim country - Malaysia. It is only because people are so willing to pray and take a stand for Jesus!

## Update on our Building Fund!

On 29th April while I was in prayer, I heard the Holy Spirit say to me, "Do you believe that the harvest is coming?" I responded promptly, "Yes." Then the Lord said to me, "You are not ready to take in the harvest (Souls). Build a home which can seat 500 people and then 1000 and take care of them." At this point I realised that the Lord wanted me to love and take care of His flock, not to run a place of worship like an orphanage, but as a real home for these precious souls who are not orphans, but true sons and daughters of our Lord and Saviour.

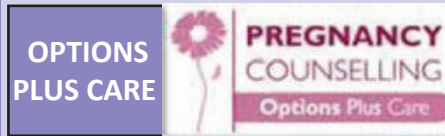

Well, the great news is that we are now looking to purchase a block of land. We are trusting the Lord to provide us the money needed to first purchase the land which is \$600,000 AUS.

We need to raise another \$100,000 in order to fulfil the first stage to buy the land. We would like to invite you, our CTFM family from all parts of Australia (and overseas) to be part of this. Please contact the office directly or make cheques payable to "Catch The Fire Ministries Inc" (Please attach a separate slip of paper and state "Building Fund") or Pay via CTFM website (<http://www.catchthefire.com.au/>) by credit card (PAY PAL), marking your gift following your surname with "BF" (Building Fund). Our Orientation Day on April 17th 2010 was a great start to this new season when 23 joined the team – among them many professionally trained counsellors, social workers, several nurses and a doctor. All believe this is God's mandate and His mission field.

We now have a new team of ten trained counsellors manning a 24/7 pregnancy crisis hotline and face to face counselling service backed by five mighty prayer warriors. During our training we had a call from a family in need of help. We responded to their cry and a beautiful baby boy was born into a Muslim family.

There were so thrilled to have our support, that they called us "Family". When the baby was 4½ weeks old the whole family came to Catch the Fire Sunday morning service. I spoke with the Nana that afternoon and she said she had never experienced so much peace. The following week they all came back and gave their hearts to the Lord, including a Hindu uncle. The baby was dedicated to Jesus. We now have a team discipling this new family in the Lord Jesus.

**Options Plus Care** is about saving souls for the Kingdom of our Lord Jesus and seeing our Nation transformed. We aim to teach the value of life and choices in our schools and our communities. Also we would like to link up and work alongside like-minded organisations across Australia. We invite pray warriors to unite with us in working with the Lord of the harvest to bring in this abundant harvest. Sponsors would also be greatly appreciated.

## Catch the Fire Ministries will Ordain Ministers of the Gospel on Sunday August 22nd, 2010

The first candidates will receive their ordination certificates (according to their gifting in the five-fold ministry) during a Service of Recognition on Sunday evening August 22nd at the Catch the Fire

Apostolic Centre, 23 Melverton Drive, Hallam. This exciting milestone will involve family and friends of the candidates and the Catch the Fire family attending on the night. The candidates are from N.S.W, Qld, A.C.T, S.A and Victoria.

If you have been serving the Lord, or know you are called to serve the Lord, even if you have never had a Ministry Credential before, CTFM will consider your application as our heart is to release an army of labourers into the five-fold ministry. One main criterion will be practical experience on the field. Further information through email to: [elizabeth@catchthefire.com.au](mailto:elizabeth@catchthefire.com.au)

Every site we visited in the Holy Land was so special and almost every site had been secured & is now managed by mainline churches.

Thank God for them, because if not for them, there possibly would be no Christian sites to visit in Israel! However, it was most depressing in many of these traditional religious places, as everyone was told to be silent in respect of the holy sites.

We at CTFM respected this, but then I remembered that we need to celebrate that Jesus is alive, not dead, and we needed to bring back the joy of the Lord! Because of this I approached the priest at every site and very kindly challenged him that we should celebrate this fact!

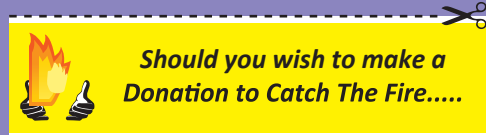

This strategy was successful at almost every place and we praised and worshipped the Lord publicly!

The DVD enclosed contains building fund information and a powerful teaching!

### Places visited – and Baptisms in the Jordan River:

It was very exciting to visit the place in Bethlehem where Jesus was born, the Garden of Gethsemane, the tomb of Lazarus, the place where Jesus fed the 5000 (plus women and children), the Sea of Galilee, the place where Elijah hid from Ahab & Jezebel, the place where David hid from Saul, the Dead Sea, Mount Nebo in Jordan (from where Moses saw the Promise Land before he died), the journey of the Cross or better known as the stations of the Cross, His empty tomb, Cana where Jesus turned water into wine, the Jordan river and many other amazing places from the Bible as we worshipped the Lord all the way through!

Everyone was so excited to get baptised in the Jordan River. I counted it a great joy to baptise those who went on the trip with the help of Pastor John from the Gold Coast. I praise God that I have now baptised people in the Red Sea (when I was in Saudi Arabia) and now in the Jordan River in Israel! Glory to God!
