

# MARCH FOR THE BABIES

2:00 pm - Saturday, October 9, 2010  
Commencing at Treasury Gardens, East Melbourne

## **a peaceful witness to life**

Join us in this peaceful witness to life, as we march to Parliament House, to hear inspirational speakers and music with a message of courage and hope.

## **to remember our darkest hour**

In October 2008, the Parliament of Victoria passed the *Abortion Law Reform Act*, one of the most extreme abortion laws in the world. Abortion became legal in Victoria until the moment of birth.

The law also ignored the rights of women to be properly informed of the health risks of abortion and disregarded the conscience rights of healthcarers.

## **for those who never see the light of day**

We march for the 20,000 lives destroyed by abortion each year in Victoria – The babies of every one in three pregnancies.

There's a long road ahead, but we shall overcome!
