

PERSONAL NOTES

Smith Wigglesworth's Prophetic Word of Australia's Mighty Revival

At the beginning of the 20th century, Smith Wigglesworth prophesied about Australia's mighty revival and how God will use Australia to impact the nations. Recently, Ps Daniel ministered at the AOG church in Sydney, where Ps Norm Armstrong was formally the Senior Pastor. Three years ago, Ps Daniel had an amazing experience there, which he now feels it is the time to share.

As Ps Norm got up to introduce Ps Daniel he suddenly came under a great anointing of the Holy Spirit, and started sharing about what happened when he was a young boy.

"My father was a Salvation Army officer who was baptised in the Holy Spirit and started speaking in tongues, resulting in him having to leave the Salvation Army. When I was only a very young boy, Smith Wigglesworth came to minister in our home. Our house was so packed with people that the only place left for me was the toilet seat.

Suddenly, Smith stopped preaching and told me (Ps Norm) to come out of the toilet. Then he laid hands on me and started prophesying over me." He said, "Australia, you have been chosen by God for a great move of the Holy Spirit. This move of God will be the greatest ever known in mankind's history and will start towards the end of the 20th century and move into the 21st century. This move of God will start a great revival in Australia, spread throughout the whole world and usher in the second coming of Jesus. This will be the final revival before the coming of the Lord.

God will raise up a man in Australia who will lead this move of God under the anointing of the Holy Spirit. This man will bow down to no one other than God. He will have tremendous favour in the nation of Australia.

My son, my (Smith Wigglesworth) eyes will not see this man, but you (Ps Norm Armstrong) will meet this man before you go to be with the Lord. Now

I will lay hands on you and pass on the mantle of God for this great mission. When you see this man, place your hands on him and prepare him for this mission and pass on this mantle."

Then Ps Norm Armstrong turned and looked at Ps Daniel Nalliah and said, "You are that man I have been waiting for so many years, come here."

Ps Daniel stated, "I was absolutely shocked when Ps Norm called me out. I fell on my knees and started sobbing and crying in the presence of God as His presence was so amazing."

Then Ps Norm laid hands on Pr Daniel and passed on the mantle as instructed by Smith Wigglesworth. He then lifted his hands up to heaven and said, "I am now ready to come home." On Wednesday 16th Nov, 2011, Ps Norm, aged 95, passed on to be with Jesus.

I pray, Lord please help me to fulfil this great commission. I am a simple donkey for Jesus. I am so happy to carry Him wherever He wants to go. Please pray for me and my family that we will stay humble, but bold in the name of Jesus for our nation Australia and the nations of the world.

Australia Day

The Australia Day National Prayer Gathering on Jan 26th 2012 from 10am to 1pm will be held at Scots Presbyterian Church in Melbourne City.

Our special guest speaker is Rev Dr Robert Carner who is the Moderator of the Presbyterian Church of Victoria.

Ps Daniel stated, "This historic venue, which seats up to 800 people, is a God-given opportunity and a great place for the Body of Christ to come together from all denominations and different ethnic backgrounds to pray for Holy Spirit revival, reformation and transformation of our nation Australia."

HALLAM - Brother Yun

We received a double blessing when Brother Yun (the Heavenly Man) was delayed when coming to Australia. On Nov 13, we had his pastor, Uncle Tang who has served the Lord for 30 years in China (and still is). He kept us

enthralled with testimonies of the mighty miracles God is doing amongst the underground church. It is estimated that more than

30,000 people come to Jesus every day and 1 million every month! They conservatively estimate there are around 150 million on-fire Christians in China!

On Nov 27th Brother Yun preached encouraging everyone to not let the past rule your future. The Lord uses the willing and obedient, not the intelligent and gifted, and He equips them to do His work. One Western missionary woman evangelist converted Yun's mother and as a result Yun came to faith and a whole underground church has arisen.

Glory to God we were able to collect \$15,000 at the services to buy Bibles to fund the Back to Jerusalem project of the Underground Church of China.

A double DVD set with all messages of 'Supernatural Testimonies from Underground Church in China' is available for \$30 including postage.

Delivered from Seizures

Kiran & Michelle Rowland, are rejoicing because their 4 year-old daughter, Shalom, who had suffered from seizures since she was 2 ½ months old, has been healed by Jesus. The doctors had no idea of the reason for her continuing seizures and no medication had worked. Shalom was unable to sleep soundly and peacefully and Michelle was also very stressed from lack of sleep.

After Ps Daniel prayed for her she had her first peaceful sleep without medication. The following Sunday the whole church prayed and Ps Daniel rebuked the demonic spirits and she was set free. All glory to Jesus.

RISE UP AUSTRALIA PARTY UPDATE

Pastor Daniel has been receiving a great response wherever he goes across the nation with our message - Keep Australia Australian. Membership is growing steadily and we are well-placed to contest the next Federal election. Things are beginning to take shape at RUAP head office in Melbourne. The foundational work has been done on the Party structure and the Policy Development Committee is working hard. Party flyers are available now for distribution and a policy booklet will be available early next year.

The Candidate pre-selection process is underway and already we have identified potential candidates for every House of Representatives seat in Victoria, as well as a Senate ticket headed up by Pastor Daniel. Candidate applications are being received from others States too, including NSW, QLD, WA and Tasmania. Branch Starter Kits will be available in the new year and we have had interest from people wanting to start Branches all over Australia.

An historic page in Australia's history is opening up as people all over the nation rise up to defend and reclaim our heritage and culture. If you would like to be part of this exciting national movement go to www.riseupaustrialiparty.com to download a membership form or make a donation, or email the National Executive Secretary Rev Estelle O'Brien at estelleobrien@riseupaustrialiparty.com for more information. Thank you for your prayer support.

On Sept 22, 2011, Cindy Jacobs prophesied that a movement would emerge in Australia that would be pro-life and pro-Biblical family and stand for holiness, justice for the poor and protection for the unborn children. "This movement will be a forerunner to not only a massive governmental reformation on many levels but a fervor to see Australia re-capture her biblical roots". The Rise Up Australia Party fits this description, but as far as we know she is unaware of it.

OPTIONS PLUS CARE

Praise God we have had the privilege of working with five Pro-Life groups in Melbourne, researching and putting together new laws to protect women. Our heart's desire is to work alongside

one another and pray together. Unity commands a blessing.

A few weeks ago a Year 11 student went to a Fertility Control clinic but didn't have the \$700 they required for an abortion so she left the premises. After talking to the Catholic Prayers out the front they referred her to Options Plus Care for an Ultra Sound which we readily accommodated. She had tears in her eyes when she saw the baby's heart beating, the backbone, the outline of the head with sucking lips and the baby actually waved to her. She decided to keep her baby and we were able to pray with her.

Just recently we had one baby born to Hindu parents. The Mum is planning to come to Catch the Fire Church to receive a blessing for her baby. We are expecting three babies to be born over the next four weeks. Donations can be sent to Options Plus Care; ANZ Dandenong Plaza, BSB No. 013289, Ac. No. 2503 8485
