Prayer Ministry – David & Raelene Thompson

Profile

David Thompson grew up in a home which accepted spiritism (spiritualism), reincarnation, divining and apparitions as a normal way of life. In his mid-teens he alternately attended the Methodist church and a spiritist church. It was not until his early twenties that he was shown what the Scriptures have to say about the counterfeit occult area ([Deut.18:9-15](#)), contrasted against the genuine supernatural power of the Holy Spirit ([Mark 16:15-20](#)). He renounced and repented of his involvement in the occult, and enthusiastically accepted Jesus Christ as his Lord and Saviour.

David, and his wife Raelene, were baptised in water and in the Holy Spirit in their early 20's. They attended the local Christian Revival Crusade Assembly, and later graduated from the CRC Bible College. They have been active in raising a family and are in Christian service. David and Raelene have the call of God, and have sought to fulfil that call in their Christian walk.

They have also experienced wounding and Satanic Spiritual Abuse through dysfunctional church leadership, and have seen the impact of this on other believers. They have witnessed various spiritual "fads", cultic distortions and unscriptural doctrines presented in the name of Christianity. They believe in the need to maintain the guidelines set by Scripture.

They know that their heavenly Father uses all these various situations to bring maturity of character to His children and "that all things work together for good to those who love God and are called according to His purpose" [Romans 8:28](#).

Coming from an occult background, David felt directed to apply himself to the study of cultism in order to combat the subtle influence and impact that Occultism and "New Age" teaching are having within the church and society today.

Vision

In 1982 David was impressed to establish "Watchman Ministries Inc." as a non-denominational prophetic voice to the Church and to the World, with the scriptural commission of a Watchman as exemplified in [Ezek.33:1-20](#). The vision is to "Blow the Trumpet" ([Joel 2:1](#)) to expose the teachings and practices of the "New Age" movement, Cults and the Occult, Witchcraft, Satanism, Eastern Mysticism, Humanism, and Secret Societies, - to reveal the secret strategies of Witchcraft and Satanism directed against the Church, against believers and the unconverted.

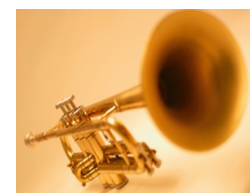

Spiritual awareness needed

The church is generally unaware of the level of sophistication of evil of committed Satanists and Coven members; of their infiltration of the Christian Church; and of the extent to which they are actively dedicated against ministers, leaders and their

families. One key goal of Watchman Ministries is to teach, educate and empower the Christian believer in proactive spiritual warfare strategies, as revealed in God's Word.

Watchman Ministries Inc

Watchman Ministries was incorporated in 1993. Its purpose is to train, to educate, and to prevent abuse (be it spiritual, emotional, physical, childhood sexual, or cultic abuse), operating both inside and outside the church.

It aims to provide and disseminate resources (including books, tracts, videos, tapes etc.). Further the ministry provides training, networking, workshops and seminars to churches, Christian organisations, and to supporters of victims and to survivors through Christian Carers Network (an arm of Watchman Ministries Inc).

Individual ministry, exit counselling and consultation is provided to bring release from Secret Societies, Cultic and Occultic involvement, Fragmentation and Satanic Ritual Abuse, using scripturally based prayer, and deliverance ministry.
